

Changes to public participation during Council Meetings effective April 1, 2020

Out of an abundance of caution, and in an effort to protect the health and safety of our employees, residents, and visitors, the Council Chambers will be closed to the public during Regular City Council Meetings, Council Workshops, Council Executive Sessions, and Special Council Meetings until further notice. Public comment will be allowed through several technology solutions.

Beginning with the Tuesday, April 7, 2020 Regular Session, the city will provide email and telephone options for public participation. The following are instructions for each method of comment:

- **Email:** To submit email comments, including comments for Call to the Public for non-agenda items, please email cityclerk@buckeyeaz.gov prior to the start of the meeting, which is 6 p.m. for Regular Council Meetings held the first and third Tuesday of every month. Please check the agenda for exact times for all other meeting types. Only comments received prior to the start of the meeting will be considered and included on the record.
- **Phone:** To comment live by phone for Call to the Public for non-agenda items, agenda items, and for public hearing items, you must complete and submit the public comment form found here: <https://www.buckeyeaz.gov/publicmeeting> PLEASE NOTE you must submit the request by no later than 3:00 p.m. on the date of the meeting. The City Clerk will call those wishing to comment during the meeting, and the call will be streamed through the Council Chamber audio system.
- **Audio Stream:** If you would like to listen to the meeting and the actions taken by Council, you may stream the live audio here: <https://www.youtube.com/c/BuckeyeArizona>
